MEMORANDUM FOR THE RECORD:

SUBJECT: Killian Committee Report on Problems.

1. A review of problems in the Management Staff indicates that there are none which would be suitable for submission to the Killian Committee.

2. Attached are problems submitted by various members of the Management Staff which have been determined to be purely internal in nature and none of which should be submitted to the Killian Committee.

3. This conclusion was reached after discussion with [redacted], the DD/S representative, and in a telephone conversation with [redacted] today.

4. A negative report has been submitted by telephone to [redacted].

5. This does not eliminate the requirement to submit a report of progress to the Killian Committee for the period of May 1 to November 1, 1957.
